

American Lincoln Parts

Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are known within the business as providing strong and durable machinery that satisfies all the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts. The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These scrubbers are available in the market under the trade mark name "Encore". American Lincoln can provide warranty service, machines and components for these kinds of scrubbers that carry both the Encore and Clarke logos. Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where results and efficiency count. Lately, this particular floor scrubber model has been requested by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site due to the model's supreme performance level and excellent quality for polishing concrete.
