

Nissan Forklift Parts

Nissan takes great pleasure in achieving total customer satisfaction, when their client is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with resilient processing principals, Nissan lift trucks provide many of the finest materials handling equipment the industry has to offer. Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Dedicated to providing customer support, the company has four distinct manufacturing facilities that allow them to persistently adapt to their consumers continually evolving wishes by offering an assortment of innovative ideas and concepts. The Nissan Forklift North and South American base is stationed in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and manufacture of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to sustain environmental responsibility by utilizing methods that reduce the worldwide influence of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their customers insist upon whilst being an environmentally conscious company. Nissan is assured that they will be able to address any client queries or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even going to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
