

## Trek Parts

TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to offering top quality and new design concepts in order to meet the diverse requirements of their customers. In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like providing products which energize both their dealers and their partners and provide production gains to their clients. The TREK team of staff enjoys new challenges and new tasks. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and needs along with their understanding of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains. The workers at TREK and their dealer-partners are really committed to having both parts and technical support available when it is required. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machinery ready and working on a daily basis is top priority. The company's top of the line technology delivers dependable machinery which eventually lowers your cleaning expense. The service, the product and the price all work as one to be able to make them the leader in the industry.
